Israeli occupation forces stormed the Al-Aqsa Mosque compound in the Old City of Jerusalem early on Monday and evicted dozens of Muslim worshippers.

Eyewitnesses told *Ma'an* that heavily armed Israeli forces and police stormed the compound following the end of the Tarawih night prayers and forced dozens of worshippers who have remained in Al-Aqsa out of the compound.

Sources added that this is the fourth time that Israeli police have stormed the compound and forced worshippers out during the Muslim holy month of Ramadan.

Settler incursions at Al-Aqsa have increased during Ramadan with almost daily

raids.
