

Putin to discuss Syria with Turkey's Erdogan amid rising tensions: TASS

MOSCOW (Reuters) – Russian President Vladimir Putin will discuss the situation in Syria with Turkish President Tayyip Erdogan by phone later on Tuesday amid rising tensions over the Syrian province of Idlib, the TASS news agency cited the Kremlin as saying.

Moscow said earlier on Tuesday that all attacks on Russian and Syrian government forces in Idlib should stop and that agreements it had struck with Turkey on the conflict there had to be upheld.
